

SIUC Flu Shot Clinics 2017
Student Recreation Center, Alumni Lounge
8:30 am – 5:00 pm

Tuesday, October 17, 2017: last names N-Z
Wednesday, Oct. 25, 2017: last names A-M

The Department of Central Management Services (CMS) will provide you with a free flu immunization up until November 15, 2017, if you are currently an active or retired employee, or a surviving spouse enrolled in a State-sponsored health plan. The Jackson County Health Department (JCHD) will administer the immunizations. The JCHD has indicated there will be no prioritizing or restriction of vaccines this year. (If you are not enrolled in the State-sponsored health plan, or are a dependent, contractual employee, volunteer, student or graduate assistant, you are not eligible for the free flu immunization provided by CMS.)

You will be required to present verification of employment (university ID/picture ID) AND a state health insurance card in order to receive the free immunization. If you are a retiree or a survivor of a State employee, you will be required to provide your state health insurance card and one type of picture identification. For Health Department billing purposes, you must provide either (1) last four digits of your social security number, (2) address, or (3) date of birth. Retirees and survivors will be required to provide their red, white and blue Medicare card if you are enrolled in Part B coverage.

The JCHD can bill most private insurance plans. If you have a dependent(s) who would like to receive a flu vaccine, please bring a copy of their insurance card to the clinics. To verify if your health insurance is accepted, please call 618-684-3143, x119. Cash, check, or Illinois Medicaid is also accepted. (Credit and debit cards accepted only at the health department location.)

Graduate Assistants and Teaching Assistants may receive immunizations at the Student Health Center. Please contact their office directly to schedule at appointment.

Dependent Immunizations Vaccine Costs

Dependent Flu Immunizations: \$43 fee

High Dose Flu Immunization (if available) for age 65 and older: \$73 fee

State Vaccine for Children (VFC) will only be offered at the Jackson County Health Department building at 415 Health Department Road. (*For those who are VFC eligible; ie, uninsured, have insurance that does not cover vaccines, Alaska Natives/American Indians, on Medicaid*)

If you cannot attend one of the scheduled clinics listed above, you may go to any Jackson County Health Department flu clinic to receive your free immunization. Visit their website at www.jchdonline.org or contact JCHD at 684-3143, ext. 517, for additional clinic dates and times.

For questions, please contact Employee Benefits at 453-6668, or visit our website at www.hr.siu.edu
