Civil service vacancies are advertised for one week. Applications and all qualifying credentials such as official transcripts, certifications, licenses and DD 214 must be submitted for the current vacancies no later than 12:00 noon, Thursday, February 15, 2018.

Effective September 11, 2017: Interviewing hours with employment counselors will only be on Tuesdays and Thursdays from 9:00 a.m. to 1:00 p.m.

*ATTENTION*

SIUC is transitioning to a new online application and hiring process. During the next few months pay close attention to application procedures for each vacancy. Some will remain the same and for some you will need to apply through the new online system.

Note: For the following 2 positions, applications can be found at http://hr.siu.edu/prospective-new-employee/apply.php. Applicants must submit all application materials in person, during counseling hours, and before the deadline for submission listed above.

**Laboratory Animal Care Technician**

**Salary:** $13.54 per hour

**Department:** Vivarium- Office of Sponsored Projects Administration

1. Any combination totaling two (2) years from the following categories:
   a) Laboratory animal care experience performing duties comparable to those listed for the Laboratory Animal Caretaker
      OR
   b) Two years of vocational training specifically related to the class (such as community college or vocational programs)
      OR
   c) Associate or higher degree in veterinary technology or a related field
      OR
   d) One of the following AALAS certifications*:
      - Assistant Laboratory Animal Technician (ALAT) or an equivalent certification
      - Laboratory Animal Technician (LAT) or an equivalent certification
      - Laboratory Animal Technologist (LATG) or an equivalent certification
      - Certified Manager of Animal Resources (CMAR) or an equivalent certification

*Note – The letter “R” listed prior to a AALAS certification acronym (such as RALAT, RLAT, and RLATG) indicates this AALAS member is both a certified (successfully completed the examination) and a registered technician (keeps current to the laboratory animal field through continuing education). This applicant is entitled to the same consideration as those who are certified with ALAT, LAT, and LATG credentials.
