## 1. General Information

The University's fiscal year begins on July 1 and closes on June 30 of the following year. For departments closing a fiscal year, there are two critical periods to remember:

**The time prior to June 30** – All transactions entered before June 30 will be current year (FY18) business. Financial transactions should be reviewed in advance of this date in order to ensure that they have been correctly posted in your budget purposes (accounts). Required corrections and adjustments should be submitted as soon as they are identified. Please note: Any transactions entered July 1, 2018, or later in local accounts will be considered FY19 activity.

**The lapse period – July 1 through August 31, 2018 – for STATE ACCOUNTS ONLY** – The State of Illinois allows a two-month period in which to finalize financial transactions in state accounts (BP 270xxx, BP 272xxx, and BP 372xxx) that should appropriately be recorded in the “old year” (FY18). However, funds must have been encumbered (committed) prior to June 30, 2018, in order to be considered FY18 transactions. For additional information regarding the encumbrance of state funds, please see “Utilizing State Funds” in item 5 below.

Please ensure that any FY18 state account transactions are submitted in a timely manner to allow posting before August 31, 2018. Invoices and/or Invoice Distribution Forms (IDFs) to be processed against FY18 state funds must be received in Accounts Payable by August 6, 2018. After August 31, no more transactions will be allowed on FY18 state funds. After that, payments cannot be charged to either FY18 or FY19 state funds but will instead have to be charged to a local account or to a Foundation account.

**AIS Unavailable during Year-End Processing:** The Administration Information System (AIS) will be restricted to a limited number of users beginning at 10 a.m. on Friday, June 29. AIS will be unavailable while general ledger balances and encumbrances roll to FY19. During this time, no checks will be written. It is anticipated that AIS will be available to all users again on July 2.

## 2. Purchase Requisitions

All FY18 purchase requisitions (regardless of the paying account) must be received in Procurement Services by the deadlines listed below. Procurement Services cannot guarantee that requisitions submitted after the deadlines will be paid from FY18 funds.

- **Purchase Requisitions of \$500,000 or more:**

Purchase Requisitions in the amount of \$500,000 or more generally require approval of the Board of Trustees. The last Board meeting scheduled for FY18 is April 12, 2018. At this time, the deadline for inclusion in the final FY18 Board meeting has passed. For those requisitions in the amount of \$500,000 or more which require the approval of the Board of Trustees, every effort will be made to meet the inclusion deadline for the July 12, 2018, Board meeting.

- **Purchase Requisitions exceeding the Small Purchase Maximum:**  
Purchase Requisitions exceeding the Small Purchase Maximum (\$100,000 for goods and services, including professional services), **must be received in Procurement Services no later than April 2, 2018.** The deadline is necessary to allow the time required for bidding.
- **Purchase Requisitions not exceeding the Small Purchase Maximum:**  
Purchase Requisitions not exceeding the Small Purchase Maximum **will be accepted until May 1, 2018.**

Please note that all purchase requisitions, regardless of the dollar amount, must be signed by the appropriate Vice Chancellor. In addition, all requisitions totaling \$50,000 or more must be signed by the Chancellor.

### **3. Purchase Orders, including PPOs**

#### **Purchase Order Revisions:**

The last day to increase or decrease FY18 state funded Purchase Orders is June 1. All revisions for increases must be signed by the appropriate Vice Chancellor, and the Chancellor must sign for increases of \$50,000 or more.

#### **Releases and Receipts:**

Departments must have all Releases entered and approved and all Receipts for FY18 Purchase Orders entered no later than 4:30 p.m. on June 26, 2018.

**Note:** Departments utilizing **Planned Purchase Orders (PPO)** should pay particular attention to the expiration date. If an invoice has not been received for a purchase against a PPO which expires on June 30, 2018, a release for an estimated amount of the purchase should be entered and approved in AIS. If an estimated amount cannot be easily determined, enter and approve a release for \$1 (one dollar). Upon receipt of the invoice, the Department can adjust the release within AIS. Please note that releases cannot be entered into AIS after the expiration date of the PPO, and that releases left "unapproved" cannot be adjusted and approved after June 26, 2018.

Purchase Orders issued after July 1 will be encumbered against and charged to your FY19 budget.

FY18 planned and standard Purchase Orders using state funds will be cancelled during September 2018, and those using local funds will be cancelled during October 2018.

### **4. AIS Internal Billings**

All AIS Internal Billings must be submitted to Accounts Payable prior to noon on Wednesday, June 20, 2018. Billings received after that time will not be processed as June business.

Remember that after July 1, billings for FY18 must contain this statement on the billing summary sheet:

“I certify that the charges for goods or services contained within this billing were ordered or delivered prior to July 1, 2018.”

## 5. Utilizing State Funds for Transactions that Cross Fiscal Years

- Regular subscriptions and memberships, if crossing fiscal years, **CAN** be paid in the current fiscal year and do not require prorating.
- On-line services, if crossing fiscal years, **MUST** be prorated between fiscal years.
- Maintenance agreements and fees, if crossing fiscal years, **MUST** be prorated between fiscal years.
- Licenses for periods covering two fiscal years **CAN** be paid in the current fiscal year.
- Registrations for conferences in FY19 can only be paid in the current fiscal year if there is a written requirement of payment prior to June 30. State of Illinois regulations do not allow discounted prices and cost savings to be considered.
- Deposit for Lodging:
  - To confirm lodging arrangements the vendor often requires one night’s deposit or a credit card guarantee. For lodging occurring from July 1 through August 31, FY18 travel funds for one night’s deposit may be used whenever expressly required in writing by the vendor. Payment must be made directly to the vendor.
- Payments to travelers for prepaid air travel costs **CAN** be paid from FY18 funds if **ALL** of these conditions were met:
  - a. The airline tickets must be for travel completed on or before August 31, 2018.
  - b. There must be a certification on the IDF or travel voucher stating the airline ticket was purchased to “ensure availability of a seat on that specific flight” (State Comptroller’s requirement)
  - c. There must be sufficient travel funds in the account(s) to pay for the full cost of the ticket from FY18 funds.

## 6. Travel

All FY18 Travel Reimbursement Vouchers, regardless of account, must be received in Accounts Payable section of Accounting Services by July 23.

If travel expenses crossing fiscal years are being charged to a **STATE** account, separate vouchers are required for the period in each year. The total airfare must be included in the FY18 travel voucher.

## 7. P-Cards

1. The last day to return ordered merchandise from Office Depot for FY18 credit is June 8.
2. The last day to order any products or services (including Office Depot) using a P-Card for FY18 is Friday, June 29. Remember that you may not purchase office supplies from another vendor without the prior approval of Betty Rouse, Purchasing Officer.
3. All FY18 P-Card transactions must be delivered, reconciled, and approved no later than July 31.
4. The last day to process P-Card corrections for FY18 state accounts is July 23.

NOTE: Transactions purchased/ordered by P-Card on or before June 30, 2018, will be charged to FY18. Transactions purchased/ordered by P-Card on July 1, 2018, and after will be charged to FY19.

In order to reconcile the P-Card Clearing Account for FY18, all P-Card transactions should be reviewed and approved within 30 days of the transaction date.

## 8. Human Resources, including Payroll

The final payroll that will process and post in June will be the **student payroll (ST 13) for June 3-16**. This payroll will begin processing on June 25.

After that, these payrolls will process and post in July but may include entries for FY18:

Timely submission of reimbursement claims requires the following actions:

- Process all payments for goods or services in a timely manner.
- Submit payroll corrections in time to allow for inclusion on the June "*Funds Available Report of Transactions*."
