

2013 Form W-2 Information

- As required by the IRS, W-2s for 2013 will be processed and mailed from the SIUC Payroll Office no later than January 31, 2014.
- All University employees with earnings in 2013 will receive a Form W-2 printed on a one-page, 4-section form.

PLEASE NOTE:

- ***AIS W-2s:*** Each employee will receive ONLY ONE Form W-2 for 2013 regardless of the number of payroll types, classifications, assignments, or positions held as the payroll system accumulates all year-to-date amounts prior to W-2 printing.
- ***Fringe Benefit W-2s:*** Some employees *may* also receive an additional Form W-2 for taxable fringe benefits received including, but not limited to, the following: vehicle usage, clothing provided, non-cash awards and gifts, moving expenses
- ***Beginning in 2012 Tax Year:*** Included on your Forms W2, your cost of employer-sponsored health coverage is now reported in Box 12 with a Code DD. ***It is for your information only, and is NOT taxable.*** The total amount with the Code DD includes the employee and employer health coverage only. As has been the case in previous years, the pre-tax health amounts have already been excluded from your taxable income shown in Box 1 and Box 16.

NOT file your 2013 tax returns until you have received all expected W-2s!
