1. General Information

The University's fiscal year begins on July 1 and closes on June 30 of the following year. For departments closing a fiscal year, there are two critical periods to remember:

The time prior to June 30 – All transactions entered before June 30 will be current year (FY25) business. Financial transactions should be reviewed in advance of this date to ensure that they have been correctly posted in your budget purposes (accounts). Required corrections and adjustments should be submitted as soon as they are identified.

After June 30 – for STATE ACCOUNTS ONLY – Any expenditures for FY25 must be turned in to Accounts Payable by **August 4**.

AIS Unavailable during Year-End Processing – The Administrative Information System (AIS) will be restricted to a limited number of users beginning at **10 a.m. on June 30**. AIS will be unavailable while general ledger balances and encumbrances roll to FY26. During this time, no checks will be written. It is anticipated that AIS will be available to all users again on **July 1**.

REMINDER – Services must be rendered and goods received and in service before July 1 to be paid with FY25 funds. Grant-funded purchases may have different fiscal years and deadlines, see section 15.

2. Purchase Requisitions

All FY25 purchase requisitions (regardless of the paying account) must be received in Procurement Services by the deadlines listed below. Procurement Services cannot guarantee that requisitions submitted after the deadlines will be paid from FY25 funds. The Purchase requisition does not determine the fiscal year which the goods are expended. The goods must be received and in service before July 1 to be an FY25 expense.

- **Purchase Requisitions of \$1,000,000 or more:**

Purchase Requisitions in the amount of \$1,000,000 or more generally require approval of the Board of Trustees. The last Board meeting scheduled for FY25 was April 17. At this time, the deadline for inclusion in the final FY25 Board meeting has passed. For those requisitions in the amount of \$1,000,000 or more which require the approval of the Board of Trustees, every effort will be made to meet the inclusion deadline for the July 10 Board meeting.

- **Purchase Requisitions exceeding the Small Purchase Maximum:**

At this time, the deadline to receive Purchase Requisitions exceeding the Small Purchase Maximum (\$100,000 for goods and services, including professional services) has passed. The deadline is necessary to allow the time required for bidding.

- **Purchase Requisitions not exceeding the Small Purchase Maximum:**

Purchase Requisitions not exceeding the Small Purchase Maximum will be accepted until **May 2**. Purchase Requisitions that total \$20,000 or more, but less than the current Small Purchase

Maximum must have a minimum of three vendor quotes, one being from a diverse vendor that is certified through CMS BEP.

Please note that all purchase requisitions, regardless of the dollar amount, must be signed by the appropriate Vice Chancellor. In addition, all requisitions totaling \$100,000 or more must be signed by the Chancellor.

All FY26 requisitions must be for one year or less and align with the fiscal year. Directions to prepare single-year requisitions for multi-year contracts and single-year purchases that cross the fiscal year are posted on the Procurement website "How To" page - file name "Requisitions - Single Year"
<https://procurement.siu.edu/how-to/>.

3. Purchase Orders, including PPOs

Purchase Order Revisions:

The last day to increase or decrease FY25 state funded Purchase Orders is **June 2**. All revisions for increases must be signed by the appropriate Vice Chancellor, and the Chancellor must sign for increases of \$100,000 or more.

Releases and Receipts:

Departments must have all Releases entered and approved and all Receipts for FY25 Purchase Orders entered no later than 4:30 p.m. on **June 20**.

Note: Departments utilizing **Planned Purchase Orders (PPO)** should pay particular attention to the expiration date. If an invoice has not been received for a purchase against a PPO which expires on June 30, a release for an estimated amount of the purchase should be entered and approved in AIS. If an estimated amount cannot be easily determined, **enter and approve** a release for \$1 (one dollar). Upon receipt of the invoice, the Department can adjust the release within AIS. Please note that releases cannot be entered into AIS after the expiration date of the PPO, and that releases left "unapproved" cannot be adjusted and approved after **June 20**.

Purchase Orders issued after July 1 will be encumbered against and charged to your FY26 budget.

FY25 planned and standard Purchase Orders will be cancelled during November 2025.

4. AIS Internal Billings

All AIS Internal Billings for **June** must be submitted to Rae Wolaver in Accounting Services prior to the close of business on **June 20**. All remaining FY25 charges must be included in the first **July** internal billing files and those files must be submitted to Rae Wolaver prior to the close of business on **July 11**. **Please note these remaining FY25 billing charges will NOT be reflected on your June Fiscal Officer Reports. Departments will need to utilize SQL scripts in late July to capture these FY25 transactions when reconciling their accounts for June.**

5. Utilizing State Funds for Transactions that Cross Fiscal Years

- Regular subscriptions and memberships, if crossing fiscal years, **CAN** be paid in the current fiscal year and do not require prorating.
- On-line services, if crossing fiscal years, **MUST** be prorated between fiscal years.
- Maintenance agreements and fees, if crossing fiscal years, **MUST** be prorated between fiscal years.
- Licenses for periods covering two fiscal years **CAN** be paid in the current fiscal year.
- Registrations for conferences in FY26 can only be paid in the current fiscal year if there is a written requirement of payment prior to June 30. State of Illinois regulations do not allow discounted prices and cost savings to be considered.
- Deposit for Lodging:

To confirm lodging arrangements the vendor often requires one night's deposit or a credit card guarantee. For lodging occurring from July 1 through August 31, FY25 travel funds for one night's deposit may be used whenever expressly required in writing by the vendor. Payment must be made directly to the vendor.
- Payments to travelers for prepaid air travel costs **CAN** be paid from FY25 funds if **ALL** these conditions were met:
 - a. The airline tickets must be for travel completed on or before August 31.
 - b. There must be a certification on the IDF or travel voucher stating the airline ticket was purchased to "ensure availability of a seat on that specific flight" (State Comptroller's requirement)
 - c. There must be sufficient travel funds in the account(s) to pay for the full cost of the ticket from FY25 funds.

6. Travel

All FY25 Travel Reimbursement Vouchers, regardless of account, must be received in Accounts Payable section of Accounting Services by **July 18**.

If travel expenses crossing fiscal years are being charged to a **STATE** account, separate vouchers are required for the period in each year. The total airfare must be included in the FY25 travel voucher.

7. P-Cards

1. The last day to return ordered merchandise from Office Depot for FY25 credit is **June 2**.
2. The last day to order any products or services (including Office Depot) using a P-Card for FY25 is **June 20**. Remember that you may not purchase office supplies from another vendor without the prior approval of Missy Carter, Procurement Officer Specialist.
3. All FY25 P-Card transactions must be delivered by **June 30** and reconciled and approved no later than **July 22**.

4. All P-Card corrections for FY25 must be received in Accounting Services prior to close of business on **June 20**.

NOTE: A transaction/order date on or before June 30 will be charged to FY25. A transaction/order date on or after July 1 will be charged to FY26.

8. Human Resources, including Payroll

The final payroll that will process and post in June will be the semi-monthly payroll (SM13) for June 16 – 30. This payroll will begin processing on **June 25**.

After that, these payrolls will process and post in July but may include entries for FY25:

9. Facilities and Energy Management

University guidelines require that all work must be completed by June 30. Be sure to complete the FY Funds box when submitting a Request for Facility Services if the budget purpose to be billed is state funded.

- **General Improvements Requests (GIRs)** utilizing FY25 state resources must be received at Engineering Services by **April 25** and approved by your cabinet level member and the Vice Chancellor for Administration and Finance. Approved project total costs will be transferred to a plant fund.
 - **GIRs** are projects that involve:
 - Engineering Services, and/or
 - Changes to buildings, floor plans, site, structure, environment, components, systems utilities, or
 - Specific projects including carpet/floor tile replacement and window treatments.

Some projects are more involved and may require additional time.

- **Service Requisitions (SRQs)** billed to FY25 state funds must be received by **May 14** and the work must be able to be completed by June 30.

10. Printing and Duplicating

All Printing, Duplicating/Mail Center jobs must be submitted by **June 20** and completed by **June 27** to ensure FY25 billing. Please consider complexity and quantity/volume of print job when ordering. Campus Sign requests need to be submitted by **May 26**.

If FY25 billing is critical, please make sure to meet these deadlines.

12. Bursar Deadlines

The deadline to make an FY25 deposit at the Bursar will be **2 p.m. on June 27**. Monies received after that deadline will not be processed until FY26, and will not be reflected in the June 30, 2025, cash balance of your account.

13. Accrual Deadlines for Accounting Services

The deadline to submit FY25 accrual entries, including compensated absences, to Accounting Services is **July 7**.

14. Correcting Entries for FY25 Transactions

All FY25 corrections must be received in Accounting Services by the close of business on **June 20**. Corrections related to FY25 transactions received after that date will be returned to the department.

15. Grant Requirements

Final reimbursement claims for awards with end dates of June 30, 2025, and **funded by the State of Illinois**, must be received at the sponsoring agencies by **July 15**. This requirement assists agencies in meeting the State Comptroller's lapse period, which ends August 31.

Timely submission of reimbursement claims requires the following actions:

- Reconcile all P-Card transactions for your award prior to July 1.
- Submit requisitions to Procurement Services in time to allow for payment by July 15.
- Process all payments for goods or services in a timely manner.
- Submit payroll corrections in time to allow for inclusion on the June *"Funds Available Report of Transactions."*
- Notify Grant and Contract Accounting by **July 7** if there are outstanding expenses applicable to your State of Illinois award. This will allow for the proper inclusion of all costs in the final reimbursement claim.

16. Budget Entries: BAA and FAR

The deadline to submit Budget Allocation/Adjustment (BAA) and Funds Allocation Request (FAR) forms to the Budget Office for entry before June 30 will be **June 23**. No BAA or FAR forms will be processed for FY25 after June 30.
